Rea Cord

Executive Director

Donations are absolutely vital to our Shelter and we are so very grateful to everyone who donates money, pet food, cleaning supplies and so much more. Life, however, is busy for most of us so to make it just a bit easier some wonderful volunteers of ours will be set up at the Wetumpka Walmart this coming Saturday from 10 am – 2 pm to collect donations. They will set up out front of the store and will have a list of our most needed items. That way it will be simple to just drop anything you choose to donate with our Volunteers and head on your way. If you need a donation receipt, please just ask and we can give you one on the spot. These Supply Drives truly help our Shelter and we are grateful to all who donate and to our intrepid Volunteers who help make them happen.

This is the last week of “Paw it Forward” by [Bluewater Broadcasting](#) whereby animal lovers can drop off donations to help the three area Humane Shelters. [Bluewater Broadcasting stations](#) will be live from 11:30am-1pm at a different sponsor location every day to collect donations in their Sprinter van. But donations can be dropped off anytime Monday – Saturday during business hours in the Bluewater Collection Barrels at the following Montgomery locations: [Lewis Lawn Equipment Inc](#), 1135 North Eastern Blvd; [Montgomery Subaru](#), 3000 Eastern Blvd; [Montgomery Eye Physicians](#), 2752 Zelda Rd; [Best Friends Pet Resort](#), 4320 Wetumpka Hwy; [Holley's Home Furnishings](#), 3490 Wetumpka Highway; [Acceptance Insurance](#), 428 Twain Curve.

Puppy and kitten food (both dry and canned) is of high need as well as bedding and cleaning supplies like bleach, laundry detergent, dishwashing soap and all donations are greatly appreciated. Please thank [Bluewater Broadcasting](#) and all of the above listed participating businesses for stepping up like this to help shelters as we move into our highest intake months of the year.
