

Humane Society of Elmore County News – 13 Oct '25
Rea Cord
Executive Director

Thank you so very much to all the wonderful people who brought donations for the area shelters Friday night at the [Alabama National Fair](#). We are incredibly grateful to the [Kiwanis Club of Montgomery](#) members and [Alabama National Fair](#) for their hard work making the Alabama National Fair such a success and for helping our River Region Animal Shelters like this. Thank you all so very much!

And huge thanks to all who donated dog (& cat) food to us this past week or so as you have brought us out of the danger zone we were in for our dog food. You certainly gave the delivery folks a work out and we are beyond grateful! And our dogs certainly thank everyone for your generosity!

This week is National Veterinary Technician Appreciation Week and behind every awesome Veterinarian is an equally awesome team of Veterinary Technicians.

Veterinary Technicians show their love for animals as they work tirelessly in exam rooms, labs, and operating rooms, using their training and knowledge to assist their Veterinarian in improving and saving beloved pets lives. Please give thanks to all who work in Veterinary Hospitals as they work tirelessly to help our pets live longer and healthier lives.

There are just far too many lost pets and we have a great way to help these pets get back home quickly. We can make custom ID tags at the shelter in just a few minutes for only \$10. Pets with identification often never have to even come to a shelter as the finder can reunite the pet with the owner directly. Stop by the shelter at 255 Central Plank Road in Wetumpka anytime Mon-Fri 8-5 and Sat 8-3 and we will be happy to make as many tags as you need!
