

PARTICIPATING VETERINARIANS

The following is a list of participating veterinarians you may contact for a free courtesy health exam for your new pet. Please call for an appointment as soon as possible. Bring your adoption paperwork for your Veterinarian. **The free health exam does not include the administration of any drugs, injections, surgical procedures, treatment or laboratory tests.** Individual veterinary clinic policies are always subject to change, so please clarify with them first that they will honor our health exam. If you do not see your veterinarian on this list, please ask if they will honor the Humane Society's free health exam. *All Area Code 334 unless otherwise noted.*
